SUPERINTENDENT'S MESSAGE

Soon you will be leaving Fort Valley High School forever. Some of you will enter college and others will find positions, but you will never be united as you have been for the past twelve years. These years together have made possible your glorious achievements for which you will always be remembered.

I hope your years at F. V. H. S. have been happy and profitable, and I trust that throughout life you will remember and practice the ideals instilled in you by your teachers.

Fort Valley High School has tried to aid you in the selection of your respective vocations, and has given you instruction that will fit you for them.

May every member of the 1960 Class bring credit upon Fort Valley High School. Your days here will never be forgotten and our love and loyalty will always belong to you.

Good luck to each of you in the days to come!
